## A Check Worth 100,000...

“Do you think it is too much to ask God to save 100,000 in Wales?”

This was the query of 26-year-old Evan Roberts in the early 1900's, convinced that God's Spirit would move intensely with the prayers of His people. “After receiving the Spirit, {we} agreed to ask the Lord for 100,000 souls in Wales,” Roberts recalled of the massive Welsh revival. “I saw Jesus Christ presenting a sort of check to his father, on it written 100,000.”

Within 2 years the check would be cashed. (*A Diary of Revival: The Story of the 1904 Welsh Awakening*)

## History in the Making...

Now, 100 years later, we're asking God to show up on campus. In 2005, we're seeking God for each student involved with Campus Crusade nationwide to be privileged to lead at least one student to Christ this term.

Currently, an internet campaign called “Student2Student” provides a center for inspiration, preparation, and celebration, as we challenge each other in a focused effort of prayer and outreach. Like Evan Roberts, we're waiting expectantly on God to breathe revival in our midst. After all, this was all His idea in the first place.

Success stories build momentum. We started by asking God for 25 new believers. Now, as people have shared stories of God adding 25, we celebrate and pray for 50. Then 100, and so on. In one student's words, “Prayer strikes the winning blows for souls, and evangelism brings in the harvest.”

## The First 25 (January 17- February 1)...

In order to pray more specifically, students are jotting down a “top ten” prayer list as God reveals the friends He wants them to pray for to know Christ. At least 25 of those friends already have.

To date, students in Michigan, Wyoming, Hawaii, Texas, Washington, Ohio, Pennsylvania, Oregon, Virginia, Kentucky, Idaho, S. Dakota, and Indiana have reached out to unsaved Bible study members, roommates, sorority sisters, dorm-mates, coworkers, classmates, strangers, and a high school friend's entire family and introduced them to “streams of living water” (Jn. 7:38) through surveys, conferences, internet conversations, gospel booklets, a song, a car accident, a screen-name, a hunting trip & pea soup.

- Another 25 students to come to Christ this month through the leading of the Spirit & initiative of their friends...
- Last month's new believers to multiply *their* faith (some already have!)...
- More students in Western PA to grasp the vision to reach the people around them and overcome personal roadblocks...
- Our team to be led to potential key leaders on unopened campuses...
- The remaining 30% of our financial support would be in place for us to staff the upcoming spring break and summer project trips...

One hundred thousand students coming to Christ...do you think it's too much to ask?

***And the Lord added to their number daily those who were being saved.*** (Acts 2:47)

Grace and peace,

Carrie & Jayson
