## A time to give birth... (x2)

**NO, IT IS NOT US!** This coming Fall Semester 2005 will bring three new additions to the Western Pennsylvania team, our directors – Michael and Carol Frey found out a few months ago that they are expecting their fourth child this September. Also Jason and Maria Weimer, the other young married couple on our team are expecting their first some time in December! The addition of Baby Frey and Baby Weimer will change some dynamics of our team here in Grove City as Maria will leave full time campus to focus on being a full-time mom.

Both the Freys and the Weimers are starting on new things this summer as well. Michael and Carol will be heading to Ocean City, MD to lead a group of about 25 students on a summer-long project to reach the community of vacationers, students at summer jobs and locals with the Gospel of Christ – training these two dozen college students from around the country how to do ministry in every-day situations. Jason and Maria, on the other hand, will be heading out in a week and a half for one of two stints in South America this summer. They will lead two different teams of American students to Maricaibo, Venezuela to bolster the ministry at the University of Maricaibo – giving their teams of American students a taste of doing campus ministry in a completely new culture.

## A time for embracing, a time for parting...

This summer will bring a kind of loss for our team as well. Graham Hantz, the long single of our team has felt the Lord leading him to leave staff. Graham has been on staff for 5 years, and was the first to join Michael and Carol in Western PA. Recently Graham had taken a 7 day retreat to seek God and to find what direction He was leading. Last week he announced that he felt the Lord leading him to step down from staff, but to stick around Grove City and serve as a volunteer with the ministry in his spare time.

In this God is much more than faithful to the two of us! Graham has offered to help us out with our financial support – currently we are at 80% of what we need – he is planning on gathering the people that have supported him over the past 5 years to ask them to consider finishing our support! Something that could fill the rest of our needs in a single evening – praise God!

## A time for everything under heaven...

In the first paragraph, I mentioned that there will be three additions to our team, but only mentioned two of them. The third addition is a Grove City College student that will be graduating in about a week and a half. Dave Baker will join the team as an intern for a year to get his feet wet and to test if God would have him join staff full time – we are *very* excited about Dave's addition and pray that his summer would be productive.

Summer is an odd time for campus ministers. We have many options what to do with it – but none of them include sitting around for 3 months and working on the perfect tan! From Summer Projects (overseas and statesid

- For the provision of a job for Graham here in Grove City and leading as he makes this transition.
- For the Freys and the Weimers, that the babies as well as Carol and Maria will be healthy throughout the pregnancies and births.
- For the students, both American and Venezuelan, impacted by the summer projects.
- For Dave as he makes this transition from college life to “real life.”

taking continuing education classes to help improve our effectiveness on campus, summer is anything but vacation time. Please continue to keep us and the team in your prayers!

Grace and peace,

(PRAYER NEEDS)
